AUDITORS' REPORT

To the Taxpayers of West Rutland Vermont

We have examined the Balance Sheets of the Town of West Rutland as of December 31, 1959 and the related statements of cash receipts and disbursements, for the year then ending.

The list of taxes levied for 1959 and prior years' uncollected taxes were accounted for by collections or taxes in the collector's hands at the end of the year. Payments by the State of Vermont to the Town, as confirmed to us by the Auditor of Accounts, were accounted for.

We examined approved orders for disbursements and found them correct.

In our opinion the balance sheet and related statements of cash receipts and disbursements present fairly the position of the Town at December 31, 1959 and transactions of the year then ending.

CHARLES A. PIPER,
JOHN L. BATTLES,
MARY R. ST. LOUIS,
Auditors.

VERMONT STATE DEPARTMENT OF HEALTH ANNUAL TOWN REPORT, 1959

The health of the town of West Rutland is the concern of its citizens, its doctors, health officer, selectmen and the State Department of Health.

With the aim of keeping children well and helping handicapped children, well-child and school conferences were attended by 160 children. Nutrition and dietary consultations numbered 2*. At the request of attending doctors 0* children received pediatric consultations, 0* received hospital diagnosis, 13 with orthopedic, cardiac, plastic or neurological conditions received services or appliances through clinics for handicapped children and 2* were given financial aid toward hospitalization costs. Mental retardation clinic services were extended to 1* child.

In the effort to control communicable disease 39 persons received chest X-rays; 333 children received immunizations, including boosters, against diphtheria, whooping cough and/or tetanus. Polio immunizations, including boosters, were given 62 children and adults. The State Laboratory performed tests on 45 water samples, 0 food and dairy products, 66 blood specimens and 5 other specimens. Vaccines, anti toxins and biologicals were distributed for protection against communicable diseases.

There were 31 sanitary inspections or consultations made at the town's food and lodging places and 24 concerning water supply, sewage disposal, public buildings and other problems, to protect health through improved town sanitation. Services to maintain and improve adult health in industry included 0 chest X-rays, and inspections and consultations at plants. In connection with the state licensing programs and the Hill-Burton federal aid program for hospital and medical facility construction there were 1 inspections-consultations to hospitals, nursing homes and homes for the aged.

To promote better dental health, consultations and services were provided 5 groups or individuals on town or school dental health problems.

In cancer work 1 received diagnosis and treatment at tumor clinics, or were financially helped with hospitalization costs.

The Public Health nurse, with headquarters in Rutland City, served at well-child and school conferences, X-ray an and immunization clinics, assisted by local people. She visited homes, doctors and agencies, making 246 visits on behalf of 82 persons and community health activities. Her service is an essential element in the department's program for health promotion, disease prevention, diagnosis, treatment and education.

Respectfully submitted,

R. B. AIKEN, M.D., M.P.H.

Commissioner of Health

RECREATION REPORT

The summer recreation program opened on June 23 and ran for ten weeks closing August 22. To prepare for the opening, the supervisor and his assistants attended the annual State Recreation School at Lake Morey from June 18th to the 20th.

Children of all ages were included in the playground activities. The hour schedule was 9:00 to 11:30 and 1:00 to 3:00 p. m. for the children. The men's softball league occupied the hours from 6:00 to 8:00.

The children's program consisted of a variety of fun games, baseball, softball, arts and crafts, tennis, and badminton.

Special Events were held weekly. They included the Costume Contest, Doll Contest, Button Contest, Nature Hikes, Picnics, Baseball Contests, and the Tennis Tournament.

The annual Field Day was a huge success. Well over a hundred children participated in games and contests of all sorts while the band entertained the adults with their well played music under the direction of Mr. Ianni.

The only request I have to make is that some provision be made to take the children to a swimming pool. The parents of younger children do not wish to send their son or daughter swimming at the river. At a river hole there is no protection for the safety of children. At a pool there are lifeguards who protect children from hazards that might occur while swimming.

On behalf of my assistants, Juliana Glodzik, Carol Werchenski, and myself, I wish to thank everyone for their able assistance and cooperation during the past summer.

Respectfully submitted,

FRANCIS J. ZAKRZEWSKI

SCHOOL NURSE REPORT

Schools opened on September first with 561 pupils registered in both the Public and Parochial Schools. All children are checked by the School Nurse, health records kept of each child and parents notified of any defects.

In September vitamins offered by the Parents-Teachers Association were distributed to grade children, if the parents so desired. The children of the Parochial School received these vitamins, each child paying for his own. Some parents supply vitamins for the pre-school children.

Six Infant and Pre-school Conferences were held during April and May. There were 109 children that received physical examinations by a local doctor assisted by Miss Agnes McElroy, P. H. N. and Mrs. Esther Nelson, S. N.

Immunization were as follows:

- 38 Small Pox Vaccinations
- 34 First triple Immunizations
- 44 Triple Immunization Boosters
- 4 First Diphtheria and Tetanus Immunizations
- 15 Diphtheria and Tetanus Boosters
- 39 First Polio Immunizations
- 34 Second Polio Immunizations
- 5 Third Polio Immunizations

Arrangements and transportation were made by the School Nurse assisted by the P. T. A. members and the Mother's Club of the Parochial School. Second and third follow-ups were held in June and July.

Miss Patricia Haron, Dental Health Educator of the State Department of Health discussed dental care with the parents at the conferences. Children from Grade 1 through High School have had hearing tests and two children, found with defects, have been treated by a specialist. The Association for the Blind provided glasses for one child.

Measles and Grippe have been very prevalent. The School Nurse attended a Convention in October held in Burlington.

On November 10, Miss Haron and Miss Graves of the State Department of Dental Health spoke and demonstrated this health to children of both schools from Grade 1 through 8. The Dental Program was begun January 11 under the supervision of Mrs. Knickerbocker. Cleaning and fluoride treatments were offered all

pupils of both schools through High School. Approximately 140 pupils have accepted these treatments. The fee is \$1.00 for examination and cleaning and \$1.00 for the fluoride treatments which consist of four applications. Approximately ten children are treated daily. The children of St. Stanislaus School are next on the list to receive such treatments.

Seventy-five home calls were made besides numerous telephone contacts.

MRS. ESTHER NELSON, R. N.,
School Nurse and Truant Officer

ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS

The following report is respectfully submitted to the citizens of West Rutland. During the summer months, after the closing of the schools in June, the following painting was done: All halls, all stairways, and all the laboratories. To comply with a change in the social study program as outlined by the State Department, new textbooks were placed in the fifth and the sixth grades. The old school bus which has been in service since 1948, was sold and a new, larger bus was purchased. The larger bus makes it possible to transport all the students in two trips. It was formerly necessary to make three trips to pick up and deliver the students.

Miss Sarah Carter resigned her position as commercial instructor and has accepted a similar position in the northern part of the state.

Mrs. Marilyn Wasilewski Kapusta, who formerly taught in the commercial department was engaged to fill the vacancy caused by the resignation of Miss Carter.

Mr. Napoleon Ianni of Rutland, Vermont, continues to direct the West Rutland School Band, which still consists of some sixty five members.

The activities of the band during the past year were: The Rutland Winter Carnival, The P. T. A. Show, two cake-walks; Easter Concert, All-State Music Festival (Burlington) Ianni Music Festival (Woodstock), Tri-State Music Festival Cambridge, New York) Memorial Day, Class Night, Graduation. Woodstock Alumni Parade, Little League Parade, Maple Sugar Bowl (Shriner's) Game, (Hanover, N. H. Football Pep Rally, Home Football Games, Chamber of Commerce Christmas Parade, Christmas Concert.

The Glee Club is directed by Miss Margaret Bliss of the High School Faculty.

The Parent Teachers' Association sponsors the following projects; the band, the vitamin pill program, the milk program and the hot lunch program. The hot lunch program furnishes a hot lunch during the noon hour. The cost of the lunch to students is \$.25 and to adults the cost is \$.35. The program is greatly assisted by the mothers of the children who assist in the serving of the lunch during the noon hour. The program serves around one hundred and seventy five students daily.

The Driver Education program has been continued under the direction of Mr. Joseph Zawistoski. This program consists of five class periods per week, with ten hours of driver instruction behind the wheel. The instruction in the driver training car is conducted after school from 3:15 to 5:15.

The renting of modern business machines such as an electric typewriter, dictaphone, adding machine, etc., is being continued throughout the school year.

The school bus makes two trips in the morning. The bus arrives at Whipple Hollow about 8 o'clock in the morning and proceeds along the Pleasant Street route, down Barnes to the schools. The bus then goes to Anderson Street, along Pleasant Street, to Center Rutland, Clarendon Avenue and to the schools. The bus makes one trip in the afternoon. The students are picked up by the bus in the afternoon at 3:30 and are delivered to their homes. The school bus makes only one trip in the afternoon in transporting the students.

Tax money was again made available to the West Rutland High School Athletic Department. This money was used to purchase new equipment for football, baseball and softball.

In the field of Guidance Thomas Egan, Science instructor, was appointed part-time guidance counselor. Post-high school goals are the primary concern of the guidance department, while curriculum studies and individual student problems are dealt with as they arise. The Guidance office is open daily from 8:30 A. M. until 9:00 A. M., 10:30 A. M. until 11:15 A. M. and when students have special problems.

This past year a sum of money was received from the National Defense Act of 1958 which was used to purchase cumulative records which were distributed to the grades and standardized tests suitable for grades 7 thru high school. Mr. Dimick, the state director of guidance has visited the school and inspected the guidance program and facilities with Mr. Egan. The program has been approved by the State Department of Education and we have received an appropriation of about 225 dollars.

All high school students take a series of aptitude tests and intelligence tests. The aptitude tests consist of the series of Differential Aptitude Tests, plus the Cooperative Tests in the fields of English, Math, Science and reading. The intelligence tests are the Terman-McNemar tests of Mental Ability and the Iowa Tests of Mental Ability.

College preparatory seniors have been aided in selecting schools and obtaining scholarship forms. The school has been visited by representatives of St. Michaels, University of Vermont, Vermont Agricultural and Technical Institute, and Mount Holyoke.

Placement of the commercial seniors is handled by Miss Bove of the Vermont State Unemployment Service. Miss Bove interviews the students and tests them for future employers. Miss Bove has been very successful in placing our seniors and should be commended.

The National Merit Scholarship Test has been administered to college preparatory seniors also the National Scholastic Aptitude Test. Nearly all colleges now require the College Entrance Examinations. The Guidance Department secures the necessary forms and aids the students in determining the correct times and proper places to take these examinations.

FRANK N. HINCHEY,
Superintendent.

Notice to Delinquent Tax Payers:

Section 778 of the Public Laws of Vermont as amended by No. 23 of the Act of 1937 provides that:

The Collector within ten years from the time of receiving a tax bill may collect a Poll Tax in any place in the State and execute his warrant wherever he may find the person of a delinquent. If a person has left the State, the Collector may collect any time within six years after the person returns or acquires property in this State.
